**GRANT NO-58 & 60**  
**INDUSTRIES DEPARTMENT**  
**OBSERVATIONS AND RECOMMENDATIONS**

1. The Department in its earlier sitting had recommends that the local MLAs should be involved in the implementation of the schemes of the Department. But the Hon'ble Members of the Committee opined that no MLA has been involved in this regard. Therefore, the Committee strongly recommends that strict action should be taken against the Field Level Officers for ignoring the recommendation of the Committee.
2. The Committee has observed that the Department has neglected the recommendation of the Committee and issued the notices after 5 months of conducting the meeting either in the month of January or March, 2022. The Committee found it to be a serious misconduct on the part of the Department. Therefore, the Committee decided to review the function of the Department again after 3 months.
3. The Committee strongly recommends that industry should take opinion with local MLA in utilization of CSR fund.
4. The Committee reiterates its earlier recommendation of spending CSR fund in Assam. The Committee also asked the Department to submit the district wise progress report in this regard within six months.
5. The Committee expressed concern over reluctance of banks to extend credit to the Micro and Small entrepreneurs including small tea growers of Assam. Therefore, the Committee recommends the Department to take up the matter with the Chief Secretary.
6. In its earlier meeting, the Committee recommends that the local MLAs should be involved in the identification of land for Industrial Park in each constituency. But the MLAs were not involved. Therefore, the Committee strongly recommends to take action against the General Manager, DI &CCs.

7. The Committee recommends to continue the goodwill with the neighboring countries to explore the possibility of bilateral trade and also recommends that such visit should be organized for the present members of the Assam Legislative Assembly.
8. The Committee reiterates its earlier recommendation of giving top most priority on establishment of small scale agro based and food processing industry to solve burgeoning unemployment problem in the state. The Department shall submit district wise action taken report in the next meeting of the Committee.
9. The Committee reiterates its earlier recommendation for establishment of food parks in feasible areas such as Barpeta, Dhubri, Darrang, Bongaigaon etc. The Department shall submit upto date progress report in this respect in the next meeting of the Committee.
10. The Committee recommends that the Department shall ensure involvement of local MLAs in implementation of any scheme under the Department, specially Mukhyamantrir Karma Jyoti Achoni. The Department shall further ensure holding of District Level Committee meeting once in every 3 months and instructed the Department to submit the minutes of the meeting to the Government and also to ensure it.
11. The Committee recommends to establish a Women ITI center at Haltugaon in Kokrajhar district and one at Mankachar ITI (women) at South Salmara, Mankachar District in consultation with the Skill Development Department (SEED) and P W D Department

The Committee recommends that the Budgetary allocation provided under Grant No. 58 & 60 for the Financial year 2022-23 for Industries Department be approved by the August House.
